

We are purely a distributor of Mutual fund and hence earn our commission as a product distributor. However incidental to our services, we provide add-on services like- Financial Services, Fixed Deposit investments, Insurance services, and others. However, we do not charge any extra fees for any of these incidental services due to our key source of Income as a distributor of Mutual Funds.

As a part of our philosophy, we keep a very transparent and clear disclosure of our earnings for the understanding of our clients:
